Thanks, Marietta! As mentioned, I never usually suggest over an hour for a briefing, but I somewhat wanted to be protective to allow for additional questions from this unusually difficult subject. That said, I'll let Anita know not to schedule more than an hour.

Regards,

Marion J.

We do not need 1.5 hours. You need to be able to deliver a briefing in 1 hr.

Good afternoon, Anita!

I'm hoping that this message finds you well and looking forward to an enjoyable weekend! I'm writing to ask if you could coordinate with Marietta's calendar to schedule a Divisional Directors' briefing on the subject "Aldicarb Pending Citrus Uses". Per Marietta's request, we're looking to schedule about one and one-half hours prior to the Thanksgiving Holiday (11/26/2020). If only an hour is available, that's also fine, since I'm only attempting to provide some additional time for overages; but, I know that finding a huge timeslot just prior to the holiday season is difficult. With that in mind, In addition to Marietta, Catherine, and Dan R, from the RD/IO, we also want to invite the following individuals:

RD Marion Johnson, Debra Rate, Shanta Adeeb  
EFED Jan Matuszko, Amy Blankinship, Stephen Went, Joshua Antoline, Lin James  
HED Dana Vogel, Michael Metzger, William Donavan

BEAD Kimberly Nesci; Monisha Kaul, Hope Johnson, Mark Suarez, Jonathan Becker, Rebecca Waterworth,  
Jeana Hansel, Gerald Wozniak, Lindsey Hendrick, Sergio Santiago,  
OGC Erin Koch, Alyssa Gsell

IVB2 will be providing slides to update the meeting at a later time, but let me, Debra Rate, or Shanta Adeeb know if you have questions.

Best regards,

Marion J.
